In order to provide the best possible care for your pet(s) while they vacation at Brewster's Bark & Bed, we are offering a pet care program. The B&B Pet Care Program offers you, our valued clients, peace of mind. You can be reassured your pet(s) will receive timely, professional veterinary care, should the need arise, at no additional's cost to you up to the coverage amount of \$300.

There are exceptions to this coverage. The B&B Pet Care Program does not cover the following:

1. Pre- existing health conditions.
2. Injury, illness, or death when pets boarded together at the owner's request and have taken action against one another.
3. Death resulting from whelping or pregnancy.
4. Canine Cough and Upper Respiratory Infection. Both are unpreventable and there are over 100 strands of the viruses. Due to the fact that these are airborne viruses, Brewster's Bark & Bed is not responsible.
5. Injury, illness, or death resulting from incidents occurring before the arrival date.

Please be advised that not all pets are eligible for this program. Because of the effects of age upon animal health, this plan is not offered to pets over the age of 12 years or under 12 weeks of age.

B&B Pet Care Program only extends treatment to our consulting veterinarians.

Pet(s) owner shall remain responsible for all charges exceeding the maximum coverage amount of \$300.

Brewster's Bark & Bed retains the right to exclude pets from the B&B Pet Care Program based on age, pre- existing illness or injury, or any other health concerns identified on admittance to our pet resort.

Brewster's Bark & Bed reserves the right to deny covering the cost of conditions/disorders that our consulting veterinarians determine to be unrelated to boarding.

PET CARE PROGRAM COST IS \$5.00 PER BOARDING STAY (PER PET)
